SHINE A LITTLE LOVE

Words and Music by
JEFF LYNNE

Moderately, with a steady beat

Although the things you've done I wouldn't criticize,
Remember, tonight we're gonna run 'til dawn,
Way... say it.
You see, I've gotta make you understand,
We'll never stop, we got a good thing goin' on,

I know it sounds a foolish thing to say,
But it don't matter baby, 'cause to
I know you heard it all before,
And I really need you, darlin', every

Oo, oo, oo-wah, oo-wah, oo-wah, oo-wah.
It's been a year now and it's getting so much better, you came home without a word...
How many days had I been waiting there to tell you, I really can't believe.
Thought everybody said, "You'll soon forget her." We're walking out into the world tonight.

They couldn't see and, they just didn't understand, And

But cold winds blow across your mind.
And I see that lost look in your eyes.
The starry sky, you feel sad inside.

Confusion, it's such a terrible shame,
what I should do, drivin' me wild,

Confusion, you don't know what you're sayin',
Confusion, I leave it all up to you.
Confusion, it comes as no big surprise.

You've lost your love and you just can't carry on. (Can't carry on.)

NEED HER LOVE

Words and Music by JEFF LYNNE

Slowly

She gave me love that I could never hope to have,
She came in from the west, a summer breeze, I couldn't rest,

tells me that she needs me,
she tells me that she's glad,
And if she goes away, I'm she

like someone who's left out in the rain,
made it like it should be all the time!
I need, (her,)
I need her,

(her love,) I Need Her Love.

Just when I was thinkin' of her,

She came along and made me want her, I need her, I Need Her Love.

I Need Her Love.
The boats that sail, the planes that fly, she is with me, I wonder if she wonders if

this is all for real. I couldn't stand to see her cry because of me, That would be

sad. I need, (her,) I need her, (her love,) I need Her

Love. She tells me everything, she
makes me smile, she tries to sing, But never shares her suffering if things are going wrong. She

makes it like a dream, If things are as they seem, the world is good. I need

her, I Need Her Love, I Need Her Love.

Repeat and fade

I need her, I Need Her Love, I Need Her Love.

You let your mind out some place down the road.

One of these days you're gonna break your glass.
